D&G WOODLANDS

Dumfries & Galloway Tree Planting Grant Scheme

"The best time to plant a tree was 20 years ago – the second best time is now..."

Could you plant some Native Trees this winter/spring?

This scheme offers a grant of up to £1,000 towards small scale planting projects across Dumfries & Galloway

Funds can contribute towards tree purchase and protection costs

Recipients last year varied from farmers and other landowners, through to community groups and schools

You get to choose the trees planted

Advice on species selection and proposal design offered

Very few Exclusions, mainly: 1) Should be less than 0.25 hectares in size 2) Not Private Gardens and 3) Can't support planting required to fulfil planning consent

D&G Tree Planting Grant Scheme - Process

Applicant reviews application form and planting guidance notes on www.dgwoodlands.org.uk

Plan made for number and species of trees sought, with relevant protection required (See guidance notes online or seek advice from DGW team for proposal design if helpful)

Quote sought for proposed tree purchase and protection costs – this allows completion of the application form. (Community groups can also claim for planting costs)

Form then submitted – with photos and map of site – to phil.dowling@dgwoodlands.org or by post

Grant offer letter issued, specifying value of grant (max £1,000) and content of proposal

Applicant purchases items specified & plants agreed trees

Applicant submits claim form with evidence of expenditure (e.g. invoices) and photos of planted trees (by agreed deadline)

Payment made to designated bank account
